**Letters:** John Costanza  
**Color:** Cory Adams  
**Zips:** Joel Adams  
**Editor:** Kristine Adam  
**Story:** A team of S.I.A. agents were investigating a factory in the Arizona desert which provided such gross amounts of pollution that people many miles away were dying at an alarming rate. The factory attacked the investigation team. In order to preserve lives and avoid a major disaster, the team was forced to use an experimental device called a psionic converter, which used disruption and psychic energy. When the machine shifted from reality to the psychic plane, it took back with it a hitch-hiker, a witch, Ms Mystic. She joined them to battle against the renegade factory.
